**4th Bramhall (St Michael's)
Scout Group**

Fire Alarm Sounds

- Leave the building by the nearest exit
- Person in charge of the group to check everyone is out
- Assemble in the large carpark at the fire assembly point
- Dill 999 and ask for the Fire Brigade if needed

Fire

- Sound the alarm by shouting "FIRE"
- Do not try and fight the fire unless safe to do so
- Leave the building by the nearest exit
- Person in charge of the group to check everyone is out
- Assemble in the large carpark at the fire assembly point
- Dill 999 and ask for the Fire Brigade
- Warn the neighbouring houses that there is a fire

Water Leak

- Locate the stop cock under the sink behind the downstairs kitchen door and turn off.

Electrical problems

- Open the workshop door with key No. 3
- To isolate locate the Main Switch (large silver metal box) move the handle down to the off position
- To turn back on a tripped circuit look for the switch that is down in Distribution Board A,B,C and switch it up, if it won't stay up there is a major fault leave it in the down position and find an alternative outlet.

WARNING TOUCH NOTHING BUT THE SWITCHES

3 PHASE 440V AC SUPPLY

Gas

- Not installed
